

LATE PREMIER'S BODY NOW RESTS IN TOMB

Simple Services Held in Westminster Abbey, and Remains Taken to Scotland.

LONDON, April 27.—The funeral service of the Church of England was solemnized in Westminster abbey at noon today over the body of Sir Henry Campbell-Bannerman, late premier of Great Britain, in the presence of a large gathering, representing the political life of England. After the service a short procession moved from the abbey to Euston station, where a special train took the coffin, some of Sir Henry's relatives and a few of his closest friends, to Scotland. It was a typical gloomy London day, and a dismal rain was falling when the cortege made its way through the streets. The abbey and the railroad station each had its crowd of spectators, who found shelter from the weather under a sea of umbrellas.

Little Attempt at Pomp.
The last time a body of a premier of England was taken to Westminster abbey was in 1895, when Gladstone was buried there. The ceremony of today held much less of display than was seen when Mr. Gladstone was laid at rest, but the grandeur of the abbey and the character of those who assembled today for the last honors to Sir Henry Campbell-Bannerman formed a noteworthy historical scene.

Scores of the former premier's political associates were present, but his two predecessors in office, Mr. Balfour and Lord Rosebery were unable to attend. The hymns sung during the service were "Brief Life Is Here Our Portion," while the coffin was being carried into the abbey; "I Heard a Voice," and "Oh God, Our Help in Ages Past."

The dead march from "Saul" was played while the procession was leaving the abbey.

DREAMS OF BATTLE; LEAPS THROUGH WINDOW

NEW YORK, April 27.—The dream of becoming a general in the army, in which Edmund Hynes had been indulging, ended sadly in a nightmare. Preparatory to undergoing a physical examination for the purpose of enlistment, Hynes was sleeping with Corporal Robert Phillips and Private Samuel Payne, in the army recruiting office. At 2 a. m. he sprang out of bed, stood at attention for a minute, still sleeping, called out, excitedly, "To the front, boys, to the front with me," and charged through a closed window, falling into a basement fifteen feet below. He sustained a badly lacerated head, body contusions and internal injuries. His recovery is doubtful.

Banker Brown Pleads Guilty; Is Sentenced to Penitentiary

SAN FRANCISCO, April 27.—J. Dalzell Brown, formerly manager of the California Safe Deposit and Trust company, pleaded guilty this morning to the charge of embezzling sixty-five mortgage bonds of the Sacramento Gas and Electric company, and was sentenced to eighteen months' imprisonment at San Quentin.

Brown was arrested several months ago for his part in the alleged wrecking of the bank, and pleaded not guilty when first arraigned before Judge Conlan. It is said he will now turn State's evidence.

Leniency was exercised by the judge upon the statement of Assistant District Attorney Cook that Brown had never profited through the crooked

"BAD MAN" FROM NORTH CAUGHT IN MONTANA

HELENA, April 27.—"Hip-O" Johnson, an alleged cattle thief, dead shot and all around bad man, who has been a fugitive from justice for more than a year, was arrested at Belt last night by Deputy United States Marshal Haigler at the behest of the Canadian Northwest police. He was taken to Butte today, where tomorrow he will be arraigned before Federal Judge Hunt. He is charged with cattle stealing and making a seasonal escape from jail at McLeod, Alberta, in August, 1904. He was badly wanted, having led the Canadian authorities a chase extending from Montana to Mexico and all intervening States as well as Nevada and Arizona. He is said to have been at the head of a noted gang of cattle rustlers. Before he can be returned to Canada, the papers must be approved by Secretary of State Root.

NOTORIOUS CALDWELL INSANE AND NEAR DEATH

NEW YORK, April 27.—There seems to be little chance that Robert Caldwell, "the great American identifier," will ever face an English court to answer to the charge of perjury that has been made against him. He is in the city insane hospital on Ward 5, and is reported by the physicians as getting weaker daily, and he has but a short time to live. Caldwell went to England and testified in the famous Druce case. He said he knew Druce as the Duke of Portland, and that he arranged a false burial for Druce, placing a roll of lead in the coffin. When the grave was opened Caldwell's statement was proved untrue and he escaped to America. He was indicted and a demand was made for his extradition. Two months ago he was sent to the insane hospital.

PRESIDENT WILL GIVE WHEELER GOOD PLACE

WASHINGTON, April 27.—President Roosevelt has offered the position of assistant secretary of commerce and labor to William R. Wheeler of California. This position will be made vacant tomorrow when Lawrence O. Murray will assume his new duties as controller of the currency. Mr. Wheeler is now a member of the immigration commission and it is because of his familiarity with the subjects bandied by the assistant secretary of commerce and labor that it has been offered him. Some doubt exists as to whether he will accept the position. Mr. Wheeler, who is now in Washington, has been consulting his wife and friends in California regarding the proffer of the office and expects that he will be able to announce his decision about the middle of this week. Meanwhile he will make a hasty trip to New York.
